

GILT
2008 Pinot Gris

Vineyard Source:

Maresh Vineyard, Dundee Hills, Oregon

This vintage has aromas of honey, meyer lemon, spiced tea, and mineral notes. On the palate the wine starts out soft and silky with hints of honeysuckle. This is followed by bright acidity of tangy key lime and citrus ending in a clean mineral and lemon grass finish, with hints of poach granny smith apple.

Yeast selection and a cool, 5 month fermentation with lees stirring in neutral oak barrels gave way to the abundant flavors, perfect balance, and crisp acidity. The citrus fruits, mineral notes, and high acid characterize this excellent vineyard.
