

TEREBINTH  
2008 Cabernet Franc

**Tasting Notes**

**Vineyard Source: Pheasant Hill Vineyard, Rogue Valley, Oregon**

Terebinth trees were revered by ancient cultures as places of solitude and reflection. They also served utilitarian roles in ancient society, including the use of Terebinth resin to preserve wine. Like the early winemakers, by producing a 100% Cab Franc we are preserving the varietal essence in this wine.

The wine has aromas of sweet spice, anise, and roasted coffee. Flavors of cassis, pomegranate, and plum are accompanied by spice, leather, and a thick body with soft tannins. We have created a wine that can stand alone and will pass the test of time.

Portion of proceeds support the Abernathy School.

**Finished Wine Analysis:**

Appellation: Rogue Valley

Production: 168 cases

Alcohol: 14.0%
