

PORTCULLIS
2011 Marionberry Dessert Wine

Tasting Notes

Vineyard Source: Perez Field – Willamette Valley Dayton, Oregon

The portcullis or "castle gate" has been a symbol of protection and pride for centuries. We thought it was perfect to symbolize our Fortified Marionberry Wine. Just as Marionberries are a source of pride for Oregon, we strove to protect this fruit's unique characteristics.

Rich aromas of mixed berry jam and bubble gum radiate from the glass along with the brilliant ruby color. The abundant flavors of Marionberry pie leave little doubt of the wine's origin. The berry flavors are accented by hints of toasted wood and vanilla from partial barrel aging.
